About the College:

Ismail Yusuf College, popularly known as I.Y. College, is a prestigious multi-faculty College owned and managed by the Government of Maharashtra. It is the oldest College in North Mumbai and the fourth oldest college in the city of Mumbai. It was established in 1930 with a big treasure-trove of donation from Sir Mohammed Yusuf Ismail. The original campus of the College was spread over 120 acres of land which has now shrunk to 54 acres due to encroachments and the construction of the Western Express Highway, cutting the beautiful hillock on the College campus into two parts. The foundation of the College stone was laid by Sir Leslie Orme Wilson, the then Governor of Bombay in 1924.

It began with a moderate number of a hundred students receiving instructions at Junior Level, Degree Level, Post-graduate Level and Research Level in all three faculties, viz. Arts, Science and Commerce. Presently, Ismail Yusuf College has qualified faculty members who facilitate the Teaching, Learning and Research Processes of Marathi, Hindi, English, Gujarati, Urdu, Arabic and Persian. These subjects are taught through six different electives of the same subject. Various other subjects of Social Sciences like History, Economics, Psychology, Political Science and Philosophy are taught in six papers. The electives like Ancient Indian Culture and Islamic studies are taught in the 1ST and 2ND year of the degree courses, Bachelor of Arts Program. There is Ph.D. Research Centre for Urdu and Hindi. Eminent Short Story writer in Marathi Shri K. J. Purohit, Poets Shri B.C. Mardhekar and Shri. Shankar Vaidya, Poets and writers Former Principal M. R. Mohalkar and Dr. Devyani Dave, Prominent historian and writer Prof. J.V. Naik and Dr. Aravind Ganachari and Arabi poet Mohammad Aleem Nakhtare are gems of our College. Seven languages under one roof with seven social sciences subjects is a uniqueness of our college and therefore, we feel privileged to organize this conference which focuses on languages, literature and humanities.

The College is humming with research activities with majority of its teachers equipped with Ph.D degrees, and many of whom are recognized research guides at the research centres of not only the University of Mumbai but many other universities across the state of Maharashtra. The College has been awarded six patents for its contribution to the field of research and development activities. The College takes special care of socially and economically underprivileged students and students with special needs through remedial coaching, bridge courses and mentoring system.

About the Conference:

At the outset, I. Y. College has been prolific for its achievements in the discipline of humanities. The I. Y. College promotes research and academic excellence among the budding researchers, educators, scholars, academicians and students. Literature has diversified perspectives. Its convergence with the other branches of knowledge makes it psychedelic. Social Sciences and disciplines of humanities are entwined with each other. The I.Y. College has propagated new dimensions of academia. The modes of knowledge production have been transformed due to dynamics of globalization. The research has been metamorphosed in interdisciplinary approach which has pushed frontiers of knowledge and created new frameworks to absorb the transition in contemporary society. This new crop of innovation and research in literature and social sciences has kept the spirit of enlightenment alive to make this world a better place to live. This conference through its deliberations on various aspects of literature will provide a platform for new perspectives in humanities. This conference will focus on the study of parallel journey, interdependence of literature, Social Sciences under the umbrella term 'Humanities'. A learning and presentation platform will be provided to the participants with lectures of eminent scholars, who will reflect upon critical and analytical developments in research.
